ADOPT-A-FAMILY WITH CADV

The Eldon Area Chamber invites you to help us
bring Christmas cheer to families in need.

Each year Citizens Against Domestic Violence (CADV) sponsors a Christmas program to provide gifts and necessities for families and individuals in need of their services. The Chamber adopted two of these families this Christmas. The first is a single mother with two children and the second is a single mother with five children.

In the Chamber office is a "wish list" with needed, and wished for, items for each family member. Please contact Mary or Jan at 392-3752 if you would like to contribute a gift or monetary donation for the purchase of a gift for either family. You may bring donated gifts to the Christmas luncheon, or to the Chamber office at 403 E. North St.

Gifts will be delivered to CADV Dec. 7.
